2. The following is an examiner's statement of reasons for allowance: the prior art of record fails to disclose an exercise device comprising dumbbells connected to a cross bar wherein the ends of the cross bar do not extend beyond the distal surface of the center section of the dumbbells with resilient grip members extending around the center section of the dumbbells, or dumbbells connected to a cross bar with grip members around the center section of the dumbbells and the opposite ends of the cross bar not extending beyond the gripping surfaces of grip members.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
